The indication of additional possible data is voluntary and is used to be able to address you personally. We use the so-called double opt-in procedure for sending the newsletter. This means that we will not send you an e-mail newsletter, unless you have expressly confirmed to us that you agree to the sending of the newsletter. We will then send you a confirmation e-mail asking you to confirm that you wish to receive future newsletters by clicking on an appropriate link.

By activating the confirmation link, you give us your consent to the use of your personal data in accordance with Art. 6 (1) point a GDPR. After your cancellation, your e-mail address will immediately be deleted from our newsletter distribution list, unless you have expressly consented to further use of your data or we reserve the right to use data in excess thereof, which is permitted by law and about which we inform you in this declaration.

Pursuant to Section 7 (3) German law against unfair competition, we do not need to obtain separate consent from you for this. In this respect, data processing is carried out solely on the basis of our legitimate interest in personalized direct advertising pursuant to Art. 6 (1) point f GDPR. If you have initially objected to the use of your e-mail address for this purpose, we will not send you an e-mail. In this regard, you only have to pay the transmission costs according to the basic tariffs. Upon receipt of your objection, the use of your e-mail address for advertising purposes will cease immediately.

9) USE OF SOCIAL MEDIA

Instagram as Standard-Plugin

Our website uses so-called social plugins („plugins“) of the Instagram online service operated by Instagram LLC, 1601 Willow Rd, Menlo Park, CA 94025, USA („Instagram“). The plug-ins are labeled with an Instagram logo, for example in the form of an „Instagram camera“. An overview of the Instagram plugins and their appearance can be found at: <http://blog.instagram.com/post/36222022872/introducing-instagram-badges>.

When you access a page of our website that contains such a plugin, your browser establishes a direct connection to Instagram's servers. This integration informs Instagram that your browser has accessed the corresponding page of our website, even if you do not have an Instagram profile or are not currently logged in to Instagram. This information (including your IP address) is directly transmitted from your browser to an Instagram server in the USA and stored there.

If you are logged in to Instagram, Instagram can immediately associate your visit to our website with your Instagram account. If you interact with the plugins, for example by pressing the „Instagram Camera“ button, this information is also directly transmitted to an Instagram server and stored there. The information is also published on

If you do not want Instagram to associate the information collected through our website directly with your Instagram account, you must log out of Instagram before visiting our website. You can also prevent the loading of the Instagram plugins and thus the data processing procedures described above with add-ons for your browser for the future, e.g. with the script blocker „NoScript“ (<http://noscript.net/>). Instagram LLC., based in the United States, is certified for the US-European data protection agreement „Privacy Shield“, which guarantees compliance with the data protection level applicable in the EU.

Please refer to Instagram's privacy policy for the purpose and scope of data collection and the further processing and use of data by Instagram and your rights and setting options for protecting your privacy at: <https://help.instagram.com/155833707900388/>

GENERAL TERMS AND CONDITIONS

1) SCOPE OF APPLICATION

1.1 These General Terms and Conditions (hereinafter referred to as „GTC“) of the company Zoeppritz GmbH (hereinafter referred to as „Seller“) shall apply to all contracts concluded between a consumer or a trader (hereinafter referred to as „Client“) and the Seller relating to all goods and/or services presented in the Seller's online shop. The inclusion of the Client's own conditions is herewith objected to, unless other terms have been stipulated.

1.2 Regarding the purchase of vouchers, these GTC shall apply accordingly, unless expressly agreed otherwise.

1.3 For contracts regarding the delivery of vouchers, these GTC shall apply accordingly, unless expressly agreed otherwise.

1.4 A consumer pursuant to these GTC is any natural person concluding a legal transac-

tion for a purpose attributed neither to a mainly commercial nor a self-employed occupational activity.

1.5 A trader pursuant to these GTC is a natural or legal person or a partnership with legal capacity who, when concluding a legal transaction, acts in the exercise of his commercial or independent professional activity.

2) CONCLUSION OF THE CONTRACT

2.1 The product descriptions in the Seller's online shop do not constitute binding offers on the part of the Seller, but merely serve the purpose of submitting a binding offer by the Client.

2.2 The Client may submit the offer via the online order form integrated into the Seller's online shop. In doing so, after having placed the selected goods and/or services in the virtual basket and passed through the ordering process, and by clicking the button finalizing the order process, the Client submits a legally binding offer of contract with regard to the goods and/or services contained in the shopping cart.

2.3 The Seller may accept the Client's offer within five days,

- by transferring a written order confirmation or an order confirmation in written form (fax or e-mail); insofar receipt of order confirmation by the Client is decisive, or
- by delivering ordered goods to the Client; insofar receipt of goods by the customer is decisive, or
- by requesting the Client to pay after he placed his order.

Provided that several of the aforementioned alternatives apply, the contract shall be concluded at the time when one of the aforementioned alternatives firstly occurs. Should the Seller not accept the Client's offer within the aforementioned period of time, this shall be deemed as rejecting the offer with the effect that the Client is no longer bound by his statement of intent.

2.4 When submitting an offer via the Seller's online order form, the text of the contract is stored by the Seller after the contract has been concluded and transmitted to the Client in text form (e.g. e-mail, fax or letter) after the order has been sent. The Seller shall not make the contract text accessible beyond this. If the Client has set up a user account in the Seller's online shop prior to sending his order, the order data shall be stored on the Seller's website and can be accessed by the Client free of charge via his password-protected user account by specifying the corresponding login data.

2.5 Prior to submitting a binding order via the Seller's online order form, the Client may recognize input errors by reading attentively the information displayed on the screen. The enlargement function of the browser to enlarge the display on the screen may be an effective method for better recognizing input errors.

The Client can correct all the data entered via the usual keyboard and mouse function during the electronic ordering process, until he clicks the button finalizing the ordering process.

2.6 The German and the English language are exclusively available for the conclusion of the contract.

2.7 Order processing and contacting usually takes place via e-mail and automated order processing. It is the Client's responsibility to ensure that the e-mail

PAGE 8

address he provides for the order processing is accurate so that e-mails sent by the Seller can be received at this address. Particularly, it is the Client's responsibility, if SPAM filters are used, to ensure that all e-mails sent by the Seller or by third parties commissioned by the Seller with the order processing can be delivered.

In order to be able to pay the invoice amount via “immediate bank transfer,” the Client must have an online banking account with the PIN/TAN method that is activated for participation in “immediate bank transfer,” he must have the appropriate credentials during the payment process, and he must confirm the payment instruction to IMMEDIATE. The payment transaction will be executed immediately afterwards and the Client's bank account debited accordingly. Further information on the payment method “immediate bank transfer” can be called up by the Client on the Internet at:

5) SHIPMENT AND DELIVERY CONDITIONS

5.1 Goods are generally delivered on dispatch route and to the delivery address indicated by the Client, unless agreed otherwise. During the processing of the transaction, the delivery address indicated in the Seller's order processing is decisive.

5.2 Should the assigned transport company return the goods to the Seller, because delivery to the Client was not possible, the Client bears the costs for the unsuccessful dispatch. This shall not apply, if the Client exercises his right to cancel effectively, if the delivery cannot be made due to circumstances beyond the Client's control or if he has been temporarily impeded to receive the offered service, unless the Seller has notified the Client about the service for a reasonable time in advance.

7.2 If the Client acts as trader

- for used goods, the rights and claims for defects are excluded,
- the limitation period shall not recommence if a replacement delivery is made within the scope of liability for defects.

7.3 The above-mentioned limitations of liability and shortening of the period of limitation do not apply

- to claims for damages and reimbursement of expenses of the Client,
- if the Seller has fraudulently concealed the defect,
- for goods which have been used in accordance with their customary use for a building and which have caused its defectiveness,
- for any existing obligation of the Seller to provide updates for digital products with respect to contracts for the supply of goods with digital elements.

7.4 Furthermore, for traders, the statutory limitation periods for any statutory right of recourse that may exist shall remain unaffected.

7.5 If the Client is a businessperson pursuant to section 1 of the German Commercial Code (HGB) he has the commercial duty to examine the goods and notify the Seller of defects pursuant to section 377 HGB. Should the Client neglect the obligations of disclosure specified therein, the goods shall be deemed approved.

7.6 If the Client acts as a consumer, the forwarding agent has to be immediately notified of any obvious transport damages and the Seller has to be informed accordingly. Should the Client fail to comply therewith, this shall not affect his statutory or contractual claims for defects.

7.7 The Seller shall not be liable for defects in the performance of the telecommunications contract for which the respective service provider is solely responsible. In this respect, the relevant statutory provisions and any deviating contractual conditions of the respective service provider shall apply.

dity in the context of promotional activities and which cannot be purchased by the Client (hereinafter referred to as „campaign vouchers“) can only be redeemed in the Seller's online shop and only within the indicated time period.

8.3 Campaign vouchers can only be redeemed prior to the conclusion of the order procedure. Subsequent offsetting is not possible.

8.4 Only one campaign voucher can be redeemed per order.

8.5 The goods value should meet at least the amount of the campaign voucher. The Seller will not refund remaining assets.

8.6 If the value of the campaign voucher is not enough for the order, the Client may choose one of the remaining payment methods offered by the Seller to pay the difference.

8.7 The campaign voucher credit will not be redeemed in cash and is not subject to any interest.

8.8 The campaign voucher will not be redeemed, if the Client, in the context of his legal right to cancel, returns goods paid fully or partially by a campaign voucher.

8.9 The campaign voucher is transferable. The Seller may render performance with discharging effect to the respective owner who redeems the campaign voucher in the Seller's online shop. This does not apply, if the Seller has knowledge or grossly negligent ignorance of the non-entitlement, legal incapacity or of the missing right of representation regarding the respective owner.

9) REDEMPTION OF GIFT VOUCHERS

9.1 Vouchers which can be purchased via the Seller's online shop (hereinafter referred to as „gift vouchers“) can only be redeemed in the Seller's online shop, unless otherwise stipulated in the voucher.

9.7 The gift voucher credit will not be redeemed in cash and is not subject to any interest.

9.8 The gift voucher is transferable. The Seller may render performance with discharging effect to the respective owner who redeems the gift voucher in the

Seller's online shop. This does not apply, if the Seller has knowledge or grossly negligent ignorance of the non-entitlement, legal incapacity or of the missing right of representation regarding the respective owner.

10) APPLICABLE LAW

The law of the Federal Republic of Germany shall apply to all legal relationships between the parties under exclusion of the laws governing the international purchase of movable goods. For consumers, this choice of law only applies to the extent that the granted protection is not withdrawn by mandatory provisions of the law of the country, in which the consumer has his habitual residence.

11) PLACE OF JURISDICTION

If the Client is a businessman, a legal entity of public law or a separate estate under public law with its seat in the territory of the Federal Republic of Germany, the Seller's place of business shall be the sole place of jurisdiction for all legal disputes arising from this contract. If the Client is domiciled outside the territory of the Federal Republic of Germany, the Seller's place of business shall be the sole place of jurisdiction for all legal disputes arising from this contract provided that the contract or claims from the contract can be assigned to the Client's professional or commercial activities. In any event however, regarding the aforementioned cases the Seller is entitled to call the court responsible for the seat of the Client.

12) ALTERNATIVE DISPUTE RESOLUTION

12.1 The EU Commission provides on its website the following link to the ODR platform: <https://ec.europa.eu/consumers/odr>. This platform shall be a point of entry for out-of-court resolutions of disputes arising from online sales and service contracts concluded between consumers and traders.

Delivery time

Orders are processed on German working days within two German working days. The deadline for the calculation of the delivery date for all payment methods we offer starts

on the day after the payment order is given to the transferring credit institution, or rather on the day after the conclusion of contract. It ends with the expiry of the last day of the deadline. If the last day of the deadline falls on a Sunday or on a day which is a state-recognised general public holiday at the place of delivery, the next working day is to be regarded as the last day.

Our estimated delivery time is stated on our website, as part of the information of each individual product. This piece of information refers to delivery within Germany. For delivery to EU countries and Switzerland, usually 2-3 working days should be added; for delivery to non-EU countries up to three weeks from the day of shipment should be added.
