Conditions of participation

Conditions of participation:

Participation in the competition of ZOEPPRITZ GMBH, hereinafter referred to as the operator or organizer, is free of charge and is governed exclusively by these conditions of participation.

Procedure of the competition:

The duration of the competition is set out in the competition announcement. During this period, users will have the opportunity to take part in the competition online.

Participation:

To take part in the competition, it is necessary to complete and submit the entry form displayed. Participation is only possible within the participation period. Entries received after the closing date will not be considered in the draw. Only one submitted entry per participant will be entered into the competition. Participation in the competition is free of charge.

Eligible participants:

Natural persons who are resident in Germany, Austria or Switzerland and have reached the age of 14 are eligible to participate. Participation is not restricted to customers of the organizer and is not dependent on the purchase of goods or services. If a participant has limited legal capacity, the consent of their legal representative is required. All persons involved in the conception and implementation of the competition and employees of the operator as well as their family members are not eligible to participate in the competition. In addition, the operator reserves the right to exclude persons from participation at its own discretion if there are justified reasons, for example (a) in the event of manipulation in connection with access to or implementation of the competition, (b) in the event of violations of these conditions of participation, (c) in the event of unfair conduct or (d) in the event of false or misleading information in connection with participation in the competition.

Prize:

The winner will be determined after the closing date for entries as part of a random draw among all participants. If the competition is linked to a task, only those participants who have completed the task correctly will be entered into the prize draw. The winners of the prize draw will be informed promptly by a separate message (e-mail). The prize will only be handed over to the winner or to the legal representative of the underage winner. It is not possible to exchange, collect or pay out the prize in cash. Any costs incurred for shipping the prize will be borne by the operator. Any additional costs associated with claiming the prize shall be borne by the winner. The winner is responsible for any taxation of the prize. If the winner does not respond after two requests within a period of 24 hours, the prize may be transferred to another participant.

Termination of the competition:

The organizer expressly reserves the right to terminate the competition without prior notice and without giving reasons. This applies in particular to any reasons that would disrupt or prevent the competition from running as planned.

Data protection:

Participation in the competition requires the provision of personal data. The participant assures that the personal details provided by him/her, in particular first name, surname, email address and address, are true and correct.

The organizer points out that none of the participant's personal data will be passed on to third parties or made available to them for use without consent. The participant can revoke

his/her declared consent at any time. The revocation must be sent in writing to the contact details of the organizer given in the imprint area hello@zoeppritz.com. Once consent has been withdrawn, the participant's personal data that has been collected and stored will be deleted immediately.

Applicable law:

Questions or complaints in connection with the competition should be addressed to the operator. Contact details can be found in the legal notice section of the operator's website. The operator's competition is subject exclusively to the law of the Federal Republic of Germany. Legal recourse is excluded.

Severability clause:

Should any provision of these conditions of participation be or become invalid in whole or in part, this shall not affect the validity of the remaining provisions of these conditions of participation. The invalid provision shall be replaced by a legally permissible provision that comes as close as possible to the economic meaning and purpose of the invalid provision. The same applies in the event of a loophole in these conditions of participation

Good luck and success from the ZOEPPRITZ1828 team
